SPORTING SCHOOLS UPDATE
In the last newsletter I communicated that the after school sports program was returning soon, but I was unable to provide additional details as the approval to begin had just been received. The details are now confirmed and I can inform you that UBSS will be offering Rugby League skills after school on Thursday afternoons starting next week (27th August) on the top oval until the end of term. This will be the only sport offered this term. We thank the Australian Sports Commission and the National Rugby League for their support in making this opportunity happen for our students. A sign up sheet is available on the notice board.

TASTY THURSDAY
In week 7 of this term (27th August) Tasty Thursday will begin a three-week run of catering done by the UMA class. The students have been learning about economics as part of their Business and Economics unit and will be using their skills to plan, budget, shop, prepare and serve the tasty Thursday meals to the students and staff who order in those weeks for under $5 a head. The kids have been working hard making economic decisions in groups about the types of meals they are wanting to provide. This week they are surveying the students and staff of the school to find out what their preferred meal options are before making decisions and preparing their final costings. For those like myself who have run the gauntlet of the hungry students on TT, this venture is no mean feat; and that’s without having to get a grade as well!

Significant time has been spent considering the needs and wants of our students, matching those with the healthy necessities of life and the protocols of serving food in an EQ school. And yes, the cooking will be supervised with hair nets and gloves all round! If I could encourage you to participate in the kids venture by supporting TT over those three weeks the experience will be even richer for the students.

STUDENT REPRESENTATIVE COUNCIL MOVIE NIGHT
The Student Representative Council are holding a Movie Night on Friday the 4th of September here at school. Each term the SRC are asked to provide a fun event for the students of the school. These events (think term 2s disco) provide the SRC the opportunity to participate in planning and running an event for the benefit of others. The movie night is the week after the next Moot so a busy end of term it will be indeed. Younger siblings of UBSS are also invited to the movie night as it will be a G rated feature.

NAPLAN
NAPLAN reports were released last week to parents across the state. If you have not received your child’s student report (Years 3 and 5 only) please contact myself or Nikki Mensforth in the office immediately.

As I mentioned in the previous newsletter, UBSS’ NAPLAN results were again of a high standard. Our analysis of the raw score data proved accurate and all of our students performed as we had predicted on their reports. It was pleasing to note that UBSS students performed on par with their KAOS counterparts this year. This is no mean feat considering the results those schools traditionally achieve. Congratulations kids and parents, and staff of UBSS; teachers and teacher aides from 2010-15 who have taught our current 3s and 5s, for these results. Without the team work and support provided by each of you, these results would not exist.

Date Claimers:
23 August—Sunday—Optiminds Competition
1 September—Tuesday—MMA at PEEC
4 September—Friday—Student Council Movie Night
18 September—Friday—Term 3 Ends
5 October—Monday—Labor Day Public Holiday
6 October—Tuesday—Term 4 Begins
7 October—Wednesday—Years 2—6 To Camp
9 October—Friday—Years 2—6 Return From Camp
19 October—Monday—Pupil Free Day
What an amazing time we had on Sunday August 2! When people have an idea to try and do something different to raise money, you tend to have a knuckle-biting moment and hope we come out ahead. We did come out ahead and raised over $500, which is an awesome effort. It's not just about raising the money though, it was fantastic to get the community together for a bit of fun and learn about oils and soaps, how honey can be used as various products, look at some lovely jewellery, see how someone's trash can be your treasure (I know Mr T now has a motorised egg beater), see yummy crepes be made and get coffee made from a Voice contender. How cool is that?

The talent show was a fantabulous success, with singing and Guinea Pigs performing. Fabulous bakes and sausages from the P&C stall. Parents (Libbinator and Miriam) out the front of the school getting people to stop, raised an incredible amount.

I had people coming up to me asking when we could have another, as well as going on about how great the last Moot was and looking forward to the next one. This is indicative of what a wonderful school we have, with great parents, children and teachers, working together.

This all could not have been done without the great help of Carolyn Nowicki, Annette Jones who also came by the day before and cleaned the school yard, Layla Majewski, Michelle King, Michelle Waris, Ross Hill, Nikki and Chris Mensforth, and other parents (sorry if I left you out) who worked the stalls and brought cakes and other items for sale and finally the children who made it all the more special with the Talent Show as well as helping out at the stalls. Thank you to the teachers and partners who also popped by and showed their support.

P&C Meeting
The next P&C meeting will be on Monday the 7th of September at 6.30pm.

Next Moot
Joseph and Mika will be running the next Moot which I believe will be a pasta night. I understand that a list will be going up on the board for donations of time and ingredients. The Moot will be on Friday August 28.

We were talking about having a Moot on September 11, but with it being so close to holidays and with a lot of other activity going on at the school, it might be a bit much. However, I am open to suggestions. Please reach out to me if you think we should do a Moot on that day or something else.

Thank you everyone!

Oliver de Nicolai
P&C President
Hi everyone! :) :) :)  

I will be filling in at Brookfield PCYC service for a couple of weeks (week 5 and 6 of term) so I will be absent from Upper Brookfield PCYC during this time. However Dean and Chris will be there as per usual and I can still be contacted on 3374 2107.

This term we are going to be very busy down here at the PCYC house! We have many exciting activities that will keep your children engaged and having fun!

<table>
<thead>
<tr>
<th>Term 3 Program Goals</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Continue to maintain our Greenhouse and to use the vegetables and herbs growing in our cooking!</strong></td>
</tr>
<tr>
<td><strong>Learning new ball skills in soccer, football, volleyball, basketball, etc.</strong></td>
</tr>
<tr>
<td><strong>Homework Club – at each session children are welcome and supported to complete their homework. Researching, investigating and exploring different topics using Wi-Fi on the iPad and Laptops!</strong></td>
</tr>
</tbody>
</table>

We look forward to seeing our regular PCYC children and hope to see many new faces to join us all this Term! Come and join in the fun with Ash, Chris and Dean!!

If you wish to take a tour of the service or have any queries about enrolling your child, please do not hesitate to talk to Ashleigh, Dean or Chris at the service or call 3374 3597. Alternatively you can contact Kristy the PCYC Coordinator via email brookfieldsac@pcyc.org.au or call her on 3374 2107.

Have a great fortnight!
From the PCYC Team
