Parent/Teacher Interviews

Tasty Thursday

Comparative NAPLAN results with our KAOS colleagues has been pleasing and a testament to the general mes this year has been incredibly helpful to know that our students are on the right track. Thanks to the parents for attending on Sunday, we look forward to seeing as many of you in the 2016 team as possible.

KAOS

This afternoon Upper Brookfield State School are pleased to host the 2-3 teachers from Kenmore, Moggill and Pullenvale State Schools as part of the KAOS program. This is the final day of KAOS for 2015 and I can report that UBSS staff have found this professional conversation with colleagues from other schools in the district an invaluable network. Moderating student work in writing several times this year has been incredibly helpful to know that our students are on the right track. Comparative NAPLAN results with our KAOS colleagues has been pleasing and a testament to the work of our parents, students and staff.

Tasty Thursday

Tomorrow sees the first of our 3 weeks of the UMA class preparing Tasty Thursday. This has been a massive undertaking and has been enormous for both the economics and mathematical learning of the students. Miss Yeldhem and I have been thoroughly impressed with the effort and dedication of the students and their ability to work collaboratively. I wish the Sausage Sizzle Group all the best as the TT guinea pigs tomorrow.

Sporting Schools

Ruby League started last week and was a great success. There are still sports available for people to sign up if they wish. A reminder the session is from 3:15—4:15pm, Thursdays.

Interschool Sport

This Friday Interschool sport kicks off for semester two with the UMA class participating in the Flag Tag competition. Students have been training and are looking forward to the challenge of competing against teams from other schools. Good luck to our teams and remember that how we play & represent ourselves is even more important than the final result.

Hi everyone!

This week, we are learning all about Russia thanks to Rogan’s wonderful idea! Children will have their general knowledge put to the test and will learn lots of fun facts about Russia, as well as working their fine motor skills in craft activities creating Matryoshka Dollies and Faberge Eggs! Children will have the chance to become a PCYC AcaPELLA band just like in Pitch Perfect 2 and compete against the Russian Band ‘Da Sound Machine’! Come and enjoy some Russian meals such as shish kebabs and beef stroganoff! YUM!

In Week 8 we will be focusing on our neighbouring country, New Zealand! It will be an educational yet fun week to engage in the New Zealand culture around dance, food and sport! Children will enjoy learning to make a pavlova for their afternoon tea, creating clay sculptures in our Construction and Creativity Room and gaining some kicking and passing skills like the All Blacks in the Rugby!

In Week 9 Mika suggested we learn about the United States of America! The PCYC staff are currently collecting your ideas and the contributions to our programming from your lovely children! Please let us know if you have any great ideas to add!!

If you wish to take a tour of the service or have any queries about enrolling your child, please do not hesitate to talk to Ashleigh at the service or call 3374 3597. Alternatively you can contact Kirsty the PCYC Coordinator via email brookfieldsac@pcyc.org.au or call on 3374 2107.

Have a great week! :)

From the PCYC
Team,
Ashleigh, Chris and Dean :) :) :)
